

GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

ITE&C Department - Constitution of Committee to provide an aggregated view of e-transactions of the services under various e-Governance initiatives of Central and State Governments across the country – Orders-Issued.

INFORMATION TECHNOLOGY, ELECTRONICS & COMMUNICATIONS (e-Gov) DEPARTMENT

G.O.Ms No. 17

Date: 17.10.2013

Read the following

Lr.No.3(8)/2013-EG, II, dated 08.08.2013 received from The Secretary, Govt. Of India, Ministry of Communications & Information Technology, Department of Electronics & Information Technology.

ORDER:

In the reference read above the Secretary, Govt. of India, Ministry of Communications & Information Technology Department of Electronics & Information Technology has informed that a national portal on e-TAAL (Electronic Transaction and Aggregation Layer) (<http://etaal.gov.in>) has been developed by National Informatics Centre (NIC) to provide an aggregated view of e-transactions of the services under various e-Governance initiatives of Central and State Government across the country . This system captures the real time transactions statics of various e-services implemented through these applications, which can be connected to e-TAAL effortlessly and securely through web services technology.

2. The Secretary, Ministry of Communications & Information Technology, Government of India has stated that the following are the benefits for the department connected to e-TAAL:

- a) The features of this portal would give the user of departments a very good MIS and monitoring tools. The real time MIS on e-Transactions gets customized to the State/ Department automatically on enrolment with the portal.
- b) The transparency in the delivery of services would be greatly enhanced.
- c) e-TAAL can provide a platform for motivating the departments and agencies to implement e-Transaction oriented and citizen centre e-Governance projects.
- d) Enable each State to get a national level comparative picture of the nature and volume of e- Services being provided by other States.
- e) e-TAAL enhances the visibility of e-Governance efforts.

3. To ensure smooth functioning and management of the e-TAAL services a National Level Project Management Committee (NPMC) has been constituted with the following terms of reference:

1. Identification of e-Services for inclusion in eTAAL as per the criteria specified.
2. Formulation of policies regarding classification of e-Transactional e-Services.
3. Monitor reporting of transactions to eTAAL by various Ministries / Departments of the Central government.
4. Provide guidance to various stakeholders for smooth implementation.
5. Organize workshops, training and awareness programmes for promotion of e-TAAL

P.T.O.

:: 2::

4. Further the Secretary, Ministry of Communications & Information Technology has stated that it is necessary for such a committee to be constituted in each State / UT also and requested to constitute a State Level Project Management Committee (SPMC) with similar terms of reference as mentioned in pre para.

5. The Government after careful examination hereby constitutes a Committee with the following composition with the term of references as mentioned in para 3 above.
